

ABC[®]
BULLION

**ABC Bullion
Barring Premium List**

Barring Premiums

Barring premiums apply when clients wish to convert their ABC Pool Allocated, Gold Saver or Gold Decumulation Plan Products into a specific bar, coin or tablet for collection, storage, or delivery.

Barring premiums reflect the costs associated with:

- Manufacturing the physical product.
- Product handling and administration.

When a client requests barring, ABC Bullion will deduct the equivalent ounces from the clients Pool Allocated, Gold Saver or Gold Decumulation Plan Products and charge an associated barring premium.

The barring premiums for our products are listed on the following pages, noting these charges are subject to change.
